

Fire Department Incident Scene Safety Officers Academy

**Saturday, February 20th 2010
&
Saturday, March 27th 2010**

This intensive two (2) day program will provide the participants with an in-depth knowledge of fireground safety, prepare the participants to pass the rigorous Incident Scene Safety Officers Certification Exam. If already certified, this course is approved for 16 CEUs from the Fire Department Safety Officers Association. Come and participate and challenge your knowledge of firefighter safety.

Who should attend this dynamic program? Anyone who is interested in firefighter safety, firefighters, line officers, chief officers, fire commissioners.

This program is presented by instructors who are all certified Fire Suppression Incident Scene Safety Officers.

Here are some comments from last year's participants:

"This is one of the best programs I have ever attended. I was well prepared to take the certification exam for Incident Scene Safety Officer".

"The instructors were knowledgeable and presented the material in a clear and concise manner". "This course was well worth the time and money".

To guarantee your space in this upcoming class, please complete the following form and send it back to us as soon as possible.
